

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to providing top quality and new design concepts so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like offering items which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and needs combined with their knowledge of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

The staffs at TREK and their dealer-partners are really committed to having both technical support and parts accessible when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machinery ready and running daily is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cost of cleaning. The service, the product and the price all work as one so as to make them an industry leader.
